CLUB PRESIDENT  
MIKE HARTNELL

The President's Chair  
NSW Parliament House

Welcome to February. Another busy and enjoyable month with lots of things on.

Nominations for committee positions are due in by our February General Meeting. You'll see a nomination form in this issue and if you are interested in putting in to help your club please get your nomination signed and in by then.

Our club did a survey a bit over a year ago and we got lots of good feedback from many of our members. The survey asked for ideas on what our members would like the club to do in the year ahead, and what their interests are.

Things like the birthday draw, the morning teas and picnics, the mahjong group, the cards and games group came from the survey. The book club was also an idea liked in the survey. Cherry had already started thinking about a book club and was able to get it started with the people who put their names down in the survey. When we read the book reviews in the newsletter we realise how much people are enjoying it. Thanks Cherry.

What other ideas do you have? Which other things would you like to do and think other club members would enjoy? Have a talk to friends within the club and if it looks as if your idea is popular let the committee know so we can look at it.

During January Rosemary Daly organised a hugely successful cinema outing for us. 30 members turned up, saw a great movie and enjoyed friendship and fellowship together afterwards (good Probus values). Thanks very much Rosemary.

Unfortunately we had some sad news during the month with the passing of our esteemed member Neville Marsh. Neville was a distinguished contributor to both Rotary and Probus.

Our love and thoughts are with Sue and her family.

Thought for the month

*The "truth" depends on who is telling the story and what they want you to believe. What you choose to believe is entirely up to you.*

Look forward to seeing you soon. Have a terrific month.

Mike

## CINEMA

Rosemary Daly (0403 238 341)

"Song Sung Blue" starring Hugh Jackman and Kate Hudson

On Tuesday 13th January 30 "Probian", (a record number), attended the movie "Song Sung Blue" at Warriewood cinema.

From the opening beat of music it was a totally enjoyable experience with perfect performances & vocals from both Hugh Jackman & Kate Hudson.

Based on a true story the film follows 2 struggling individuals, Mike & Claire Sardina who meet & find love through their shared passion for performing as a Neil Diamond Tribute act. It was an emotional story with strong chemistry & really great musical performances of all the wonderful Neil Diamond songs that most people know & love.

It was a movie to uplift, to make you both laugh & also to cry. We all gave it a "10 out of 10" & afterwards 15 of us stayed to share a coffee & chat.

## GUEST SPEAKERS

Cherry Robinson (0438 186 584)

### JANUARY SPEAKER

Lesley McQuire's interest in family history began when at 10 years old she was told the family descended from Alexander Selkirk after whom the book Robinson Crusoe was written. However, her research found the story to be false. The family had the wrong Alexander Selkirk. Their Alexander Selkirk/Selkirk was a Loyalist in the American Revolution.

Lesley gave a very interesting and detailed account of three of her ancestors which was titled "Loyally Yours, the other side of the American Revolution".

The Selkirk brothers left Scotland and moved to Boston Massachusetts in 1761 setting up a business which imported merchandise and high fashion goods. Accompanying her talk were some wonderful pictures of the times. For 40 years from 1760-1800 they will leave Scotland and settle in Boston and New York, North America, Shelburne, Nova Scotia, Canada, London, England and back to Glasgow, Scotland setting up businesses. Due to their strong links to the British Crown they became Loyalists in the American Revolution. For their loyalty they would become outcasts and never be allowed back into America after the Revolution. They submitted a claim for financial compensation from the British Government but it was rejected and led to financial ruin and bankruptcy.

Guest Speaker Lesley McQuire and Hastings Pawsey who gave the vote of thanks

### NSW PARLIAMENT HOUSE LUNCH

30 of us thoroughly enjoyed our lunch at Parliament house this week.

A beautiful day for walking up through Martin Place past the old sandstone buildings and photos of Sydney in the early 1900s. A number of us arrived early and had a tour of the upper and lower chambers which was very interesting. Mike and I even found a photo of his grandfather hanging on the wall which was very special. He was the Minister for Health from 1939 till the mid 40s.

A great day had by all with superb food and lots of fellowship.

Since this worthwhile project was launched by our Probus Club in 2012, our enthusiastic group has completed and handed to the charity, Wrap with Love, 1719 wraps as at the end of January.

We are so grateful for the regular knitters and crocheters of the 25cm (10in) squares, donations of yarn (8pl acrylic) and the "sewer-uppers". These all contribute to making this project work so well.

If anyone reading this would like to become involved, please to not hesitate to contact either of the current co-ordinators mentioned below.

This wrap was put together by Merle but completely knitted by a friend of our Probus Club, our first male contributor – well done Roy! Look forward to your next one.

## NEVILLE MARSH

I have been asked to write a few words about Neville Marsh

Neville grew up at Katoomba where his parents owned the Palais Royale Guesthouse; the place to stay in Katoomba. This was where Neville learned to love the Blue Mountains and it's many walks which he knew so well. It also was the start of his love of Australian animals. As a boy Neville kept pet possums at the home. He and his brother were exposed to a world of music, and ballroom dancing. He often acted as M C for evenings in the ballroom. Importance was given to English literature which led into elocution lessons and gave him a love of poetry. On the other side of his upbringing he was taught the manly arts of shooting, boxing, judo, wrestling and gymnastics.

His working life proved him to be successful in marketing, working for Olivetti and IBM. This of course led into the world of Information Technology. Neville had considerable knowledge and achieved a very successful career.

Neville met Sue when they attended college together where he used his sports training to rescue Sue from an unwanted admirer. Those lessons learned earlier became very handy. It was only a matter of time before they married and settled down to family life. The family of two became a family of four when Debbie arrived and then Belinda. Ella, Debbie and Rob's daughter arrived in 2006 thus making the proud grandparents a family of six. One of the greatest pleasures for Neville were his girls of whom he was immensely proud.

When Neville's daughters expressed interest in gymnastics, Neville together with Sue started The Manly Warringah Gymnastics Club in 1978. Neville was the Club's President for 20 plus years. It is still going strong and training gymnasts to compete to the highest levels.

As a member of Belrose Rotary Club, Neville used his marketing skills to great advantage. During a Rotary fund raising project for Shelter Box the people of Port-au-Prince were in desperate need of shelter. Rotary members were collecting donations from the public at the local shopping centre. Neville installed TV screens at the centre that continuously showed the plight of those people. As a result, the collections were an outstanding success, enabling the Club to purchase many Shelter Boxes.

Members of the Rotary Club would go away on 4wheel drive weekends venturing into the national parks. Now Neville loved to run, so he would run ahead of the vehicles and make sure there were no obstacles and ensuring the track was safe to travel. He was in his element camping in the bush.

He together with Barry took some European Rotary Exchange students for a few days to Jenolan Caves. They stayed in bush cabins surrounded by wallabies and spent a couple of days hiking the walking trails which he knew so well. The students loved it.

When Sue and Neville became members of our Probus Club they enjoyed the Club's trips away. The one to China comes to mind during which Neville impressed the Chinese and others by running across the top of the Great Wall of China from one outlook post to the next outlook post. He just loved to run. It was unfortunate that later in the tour he became ill and spent considerable time in a Shanghai hospital.

Neville was a great friend of ours, loyal, intelligent, and had a wicked sense of humour. He loved poetry and literature. Neville's greatest loves were his family, being in the great outdoors and the Australian bush.

I close with this quote. It is not mine but it is a perfect fit

*"Truly great friends are hard to find, difficult to leave and impossible to forget"*

30 January 2026

Dear Management Committee,

Each year, Probus South Pacific Limited (PSPL) seeks nominations from Probus Club members who wish to serve on the PSPL Board or on the related PSPL Nominating Selection Committee (NSC).

PSPL is now calling for nominations from Probus Club members to fill upcoming vacancies for Representative Member/Directors for New South Wales/Australian Capital Territory, Western Australia and New Zealand.

Directors Nicholas Erby, Brian Hoult and Margaret Drake are currently serving in these roles, and their terms of office will end in August 2026. The term of office for the successful candidates will be from August 2026 to August 2029.

The role of a PSPL Representative Member/Director is, in conjunction with the Board, to ensure the success of Probus in the South Pacific region. This is a volunteer position which previously required travel to Sydney on a quarterly basis. However, all meetings are currently being held via technological means with the exception of the Annual General Meeting in August.

To be eligible to nominate for the role of Representative Member/Director, a nominee must be a current member of an accredited Probus Club in either New South Wales, the Australian Capital Territory, Western Australia or New Zealand and have at least 12 months' experience serving on a Probus Club Management Committee.

Nominations for the role of Representative Member/Director must be proposed and seconded in writing by the President and Secretary of the nominee's Probus Club using the official Nomination Form. If the nominee is currently a President or Secretary of their Club, another member of the Management Committee must propose or second the nomination.

In addition to seeking nominations from members of Probus Clubs to serve on the PSPL Board, PSPL is also seeking nominations from two Probus Club members to serve on the respective NSCs.

The NSC is responsible for interviewing and assessing the Board nominees to determine their suitability. The interviews will be conducted by the NSC during the month of May 2026 via technological means.

The NSC is comprised of the PSPL Chairman, its Vice Chairman, and one additional Director plus two Probus Club members from the areas of selection. Nominations to serve on the NSC must be proposed and seconded in writing by the President and Secretary of the nominee's Probus Club, using the official Nomination Form. If a nominee for appointment to an NSC is from the same Probus Club as the candidate for appointment as a Representative Member/Director, his or her nomination will not be accepted. Both the proposer and the seconder must certify in the Nomination Form that the candidate is considered to have the level of knowledge and experience needed to properly assess the Representative Member/Director nominees.

Members who have business experience in finance, accounting, communications, or marketing, or as a public company director, are urged to consider nominating for the PSPL Board. Given the large proportion of female Probians, we strongly encourage female members to nominate.

Nominations must be received by 5.00 pm AEST on 30 April 2026 either by post to the address below or by email to [silvanam@probussouthpacific.org](mailto:silvanam@probussouthpacific.org)
